**REMARKS**

An Office Action was mailed on September 26, 2006, to the undersigned, the attorney of record. The undersigned respectfully requests withdrawal as attorney of record for the following reasons.

The Applicant has not paid a retainer and owes past due amounts to the attorney of record. The Applicant has not responded to several notices regarding the outstanding Office Action. Due to these reasons the undersigned requests withdrawal as attorney of record under 37 CFR 10.40(c) (iv) and (vi).

The attorney of record has notified the Applicant via email, first class certified mail and telephone. The Applicant was notified via email on October 2, 2006 and October 25, 2006. There was no response to either email by Applicant. The Applicant was notified via first class certified mail on November 15, 2006. The notice went unclaimed and was returned on December 7, 2006 to the undersigned with a new mailing address for the Applicant indicated on the envelope. On December 7, 2006, after several hours of internet research, the undersigned sent a fourth notice via first class certified mail to a new address. The notice was signed as received by the Applicant on December 28, 2006. There was no response from Applicant to any of these notices and a phone number for the Applicant could not be found.

Finally after no response from the Applicant, the undersigned send a final notice dated January 9, 2007, which stated that the undersigned intended to withdraw as attorney of record and also included the Applicant's patent application file. The notice was signed as received by the Applicant on January 23, 2007, but the Applicant did not respond.

On January 25, 2007 a final internet search of the Applicant was conducted by the undersigned. A new email address was found and the Applicant was contacted via email on January 25, 2007. It was also attempted to call the Applicant on the same date, but there was no answer. The Applicant responded to the email on January 29, 2007, but provided no instructions or assurances that the

PATENT

retainer would be paid. The Applicant was further contacted via email on January 30, 2007 and has not responded.

Pursuant to 37 CFR 10.40 the undersigned has notified the Applicant sufficiently and has returned all patent application files to him with sufficient time to obtain alternative counsel if he so desires.

Accordingly, the undersigned, as the sole attorney of record, requests a timely withdrawal as attorney of record and has attached PTO Form SB/83. The undersigned may be contacted if there are any questions about this filing.

Respectfully submitted,
